**\*Customization for the choker-style Necklace**: Everyone's neck is a little different. The Necklaces are designed so that the DNA Jewel rests at the hollow of the throat, a length often called a "choker". The default length works for most women but can be customized to any length.

Preferred length of Necklace: _____

**\*\*Customization for the Bracelet**: The Bracelet should fit comfortably on the wrist but not jiggle around too freely. The default length works for most women but can be customized to any length.

Preferred length of Bracelet: _____

If either the Necklace or Bracelet is intended for a man, we recommend a greater length and a slightly thicker leather cord. Please indicate that here with a brief note: _____
